

\$100 off Lean Supply Chains Seminar

Expires 6/30/10

This 1-day seminar will teach you how:

1. Lean concepts apply to your end-to-end supply chain from suppliers to customers including manufacturing, logistics, and administrative processes.
2. Current processes, systems, and cultural behaviors are raising costs and reducing customer service.
3. Your organization can make the changes required to craft a lean supply chain.
