

\$100 off Lean and Green Seminar

Expires 6/30/10

This 1-day seminar will teach you how:

1. The tools for lean and the tools for green can be blended to provide you a powerful toolkit for lean and green.
2. Lean and green concepts apply to your supply chain and can help you create a competitive advantage.
3. Your organization can make the changes required to craft a sustainable lean supply chain.
